BEYOND TOPIARY

In Search of the Most Stylish Rooftop Bar in Sydney

The gorgeous Old Clare Hotel in Sydney makes waves with their all-inclusive policy, allowing both hotel guests and the general public to enjoy the property's stunning pool and bar. Access to daily yoga as well as fitness sessions at their rooftop retreat are also open to all those hoping to spend some quality active time while enjoying a spectacular view of Sydney.

The boutique hotel occupies two iconic heritage-listed buildings and has been constructed with immaculate attention to aesthetics, preserving the spirit of the original buildings The Clare Hotel pub and Carlton & United Breweries Administration Building.

The Old Clare Hotel, designed by local architectural team Tonkin Zulaikha Greer, received an Asia Hotel Design Award for Urban Architecture due to its modest luxury and superb aesthetics. The property's signature rooftop pool features seating elements from our Strada and Dolce Vita collections.
