ARES

The Ares collection defines luxury and unstudied elegance with subtle influences from midcentury modern silhouettes, composed of refined materials. A comprehensive dining and lounge collection, Ares is highly textural, offering a harmonious confluence of intricately woven rope, durable mesh and deep cushions, premium teak, lustrous stone and Carrara marble. The Ares collection is available in two classically neutral, monochromatic colorways—Fossil, a cool grey hue, and Cocoa, a rich, warm brown—complemented by solid teak in a griegie, Driftwood finish, and Mocha mesh panels that beautifully support its seating.
