The award-winning Chill collection invites relaxation and encourages opportunities to pause and take a breath of fresh air. Comprised of two benches, a stool, and a large-scale planter, Chill is composed of our proprietary JANUSstone, a breakthrough material that reinforces concrete with glass fiber to present the look of polished, natural stone while withstanding harsh exterior elements and maintaining texture and pigment for many years to come. Available in four nature-inspired hues, Chill features simple silhouettes, smooth surfaces, rounded edges, and substantial structures engineered for longevity.

Available in all countries.
